Thank you

Please note: Attendance of the Wednesday morning classes does not necessitate membership of the association. However, we hope those taking part will feel encouraged to join us.

About Heswall Artists Association

Heswall Artist's Association was founded during the Festival of Britain in 1951. Our aim is to encourage the practice and appreciation of art in a wide range of media. This typically includes acrylic, watercolour, pastel, gouache, oil and pen and ink, as both framed and unframed artwork. We also have, and welcome members who are skilled in crafts such as jewellery making, knitwear, pottery, woodturning, lace work and craft print work.

Art classes, demonstrations & exhibitions

We host a programme of art classes and art demonstrations (all by local artists), and an annual exhibition of members' work. The classes and demonstration events are open to both non members and members. They cover a wide range of media and subjects, and are held from October through to March. The art classes are held weekly on Wednesday mornings at Heswall Hall. We also hold Saturday workshops on a monthly basis at The British Legion, Pensby Road Heswall. The annual exhibition, held in August, is an opportunity for members to exhibit and sell their work.
